

# HALIFAX METRO VINEYARD

## Project - He Comes in the Storm

**HEY FOLKS - IT'S GETTING COLD OUT THERE!!**

Virginia Nisbett, of Halifax Metro Vineyard, Lower Sackville, is looking for "Project - He Comes in the Storm" clean donations of new or GENTLY used winter scarves, mittens/gloves and hats for the homeless in HRM. The items are distributed through ARK (who work with homeless teens); Mobile Outreach Service Hospital (MOSH) unit that directly provides medical care to the homeless on the streets; and plans to distribute to other shelters and one-on-one street distribution on the streets.

The homeless (adults; teens – some of which are attending school; war vets; others) are a big part of our community that cannot be ignored. Please help us to bring the love of Jesus and compassion to our streets in the Metro area.

An income tax receipt will be given for monetary donations of **\$10.00 or greater**. All cheques are to be made payable to **Halifax Metro Vineyard**. Arrangements for pickup of donations or more information please contact:

**Virginia Nisbett**
